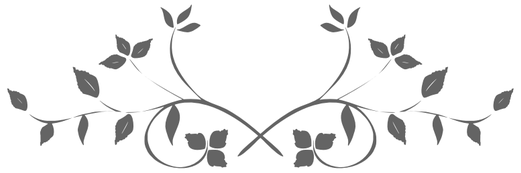
ABOUT BOUDOIR:

WHEN PEOPLE THINK "BOUDOIR", THEY THINK
OF NUDE PHOTOS OR SKIMPY LINGERIE.
THAT ASSUMPTION IS TOTALLY FALSE.

you are beautiful. your body is beautiful. boudoir is about celebrating that and giving you a chance to feel confident + empowered in your own skin.
if lingerie is the route you want to go, then great! let's do that! but if you feel gorgeous in a over sized sweatshirt or cute pajamas, let's go for it! this is about what makes YOU feel amazing.



typically i do boudoir sessions out of my own home, but if you feel more comfortable at your place we can go there, or we can rent a cool air bnb!
